

# HFA MEMBERSHIP RENEWAL FORM 2007

Hello HFA Member:

It is time to renew your membership to the Hoboken Family Alliance, Inc. (HFA).

Why? In recent years, the HFA was publicly recognized as a valuable support network to the many families making Hoboken their home and in 2006 we continued with that mission. In nine years, the HFA has grown from 10 mothers in Elysian Park to 400 families. It continues to provide Hoboken families with information, support, companionship, events and a strong sense of community. Over these years the HFA has advocated for and received: speed bumps, a greater voice at City Hall and the Board of Education, more recreation opportunities and increased park facilities. We are very pleased to see that Hoboken is being looked at more and more as an "urban village" that is an attractive place to raise children and remain long term. The HFA will continue to be a source of information for members on local issues, such as the continued need for preserving Open (Park) Space, and for further improvement to our Public Schools and many other issues which directly impact our families.

Your continued support and participation in the Hoboken Family Alliance will help further this mission of making Hoboken a place where children and families are embraced as an important part of the community. So please take this opportunity to renew your membership and commitment to the HFA, so you can assist, or just remain plugged in to the continued evolution of this great City!

Membership entitles you to our monthly newsletter, weekly e-mails, website bulletin board, and entrance to all our events and programs. This year there will be just one level of membership where all HFA members can enjoy great discounts at a number of local merchants with the HFA discount card.

Please return this form as soon as possible, so your membership does not lapse. As always, we welcome your feedback and encourage you to contact us at: **hfamembership@gmail.com**
